

## Stewards of God's Bounty

Over many years committees have been appointed for the specific purpose of educating and urging Trinitarians to designate their church as a recipient of a gift at the time of their death. We all know the benefits this security would provide in the long range.

We also know that sometimes all we need is just a little push to move in that direction. Please listen to the group of dedicated parishioners who are now making a concerted effort to explain, to justify and to encourage all of us to consider this approach to planned giving.

We ask you to join us in this commitment.
