The Vestry of Trinity Church

Vestry Service — The Vestry is the leadership governing team in any Episcopal congregation. The word Vestry is an old English word that over time has come to signify a body of lay members elected by the congregation to lead the parish. The Vestry at Trinity is comprised of fifteen persons and is led by the Rector. Each year five persons are elected for a three-year term at Trinity's Annual Meeting in the month of November. The Vestry oversees Trinity's budget, buildings and grounds, as well as working with the Rector to set Trinity's vision and mission. The team prays for each other, studies the scriptures, and administers the finances of the parish. Those interested in serving should contact Trinity's Sr. Warden. The current members of the Vestry are listed on Trinity's website.

Ministry Teams of Trinity

Ministry Teams are comprised of members of the parish who come together to shepherd and lead ministries of the parish that are a vital part of our mission and ministry as a community of Christ. Each team has a convener who facilitates the group and a Vestry member who serves as a liaison with Trinity's Vestry.

Adult Education Team — our team of clergy and lay persons who dream, vision and plan for adult formation opportunities at Trinity Church. Garden Guild — a group of nearly fifty persons have come together to care for the Trinity grounds. Persons choose a specific garden to care for. With a few guidelines and ground rules, members are free to care for their appointed space in a way that gives them joy and provides beauty to our community life. The Garden Guild

Congregational Development Team — The mission of the Congregational Development Ministry Team is to help grow disciples at Trinity Church by helping make Trinity known in our city and beyond. Outreach and Mission

Trinity Church has been a force for the Good News of Jesus in Asheville since its founding. A long history of deep involvement in our city is our history. Today Trinity understands our space as a critical ministry and mission site in the heart of Asheville. Our space exists not only as symbol of the Good News of God's grace but also as a physical space of grace and love, We are intimately connected to our neighborhood and all organizations seeking to do good. We see our space as an integral part of all who seek peace and justice in our city. Our partner organizations (those who receive Trinity grants) are offered use of our space without donation for fundraising events, conference meetings, etc. We stand as a central meeting space for our Diocesan Life as well welcoming Episcopalians from across the Diocese for events promoting our common life.

Outreach Team — is a group of passionate lay persons leading the parish outside of our walls. The team has a mission to foster opportunities for outreach and mission among Trinitarians. The group is also responsible for disbursing over 10% of the congregation's annual pledged income (a tithe) to organizations and groups in the community that seek to do justice and love mercy. A complete list of the ministries supported by Trinity can be found on Trinity's website and the Outreach Team invites new members to join in their mission.
