

And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ.

Ephesians 3:18-19

September 9, 2024

Like all spiritual growth, being rooted and grounded in God's love is a process. Planting flowers, herbs, and vegetables on our beautiful Trinity property takes water, sun, and nurturing before they come to fruition. It is not automatic. Likewise, it takes time to listen to what God has called us to do.

Your gifts to Trinity have a major impact on the lives of others. Our worship is at the heart of what we do. It is a time when we together with our brothers and sisters in Christ, rooted and grounded in love, dedicate our minds to knowing God. We see parishioners of all ages enjoying one another, wearing name badges, so we might get to know each other, welcoming newcomers and visitors. Being in community and participating in our myriad of ministry activities helps all of us.

As in years past, Trinity will offer the electronic pre-campaign to all members just before our house-to-house campaign begins. Between September 17 and September 30, we encourage you to make an early 2025 pledge online.

In the coming days, you will receive an email with a link to an online pledge form. We will remove from the October house-to-house campaign those whose leadership pledges are received by September 30.

Enclosed you will find your personal pledge information for 2025, prepared and confidentially sealed by Jan Hildebrand, our Director of Finance.

By participating in our stewardship campaign, we can ensure Trinity's continued legacy as a place where we explore faith, embrace community, and make a difference.

In Christ,
