

## *An Anchor For The Soul*

TRINITY CHURCH

*We have this hope, a sure and steadfast anchor for the soul ... Hebrews 6:19*

I am delighted to invite you to be a part of Trinity's 2024 Annual Stewardship program, **"An Anchor for The Soul."**

In my many conversations with Trinitarians, the overwhelming sentiment I hear is how this community is an anchor in life, a core aspect of where we find strength to meet the days ahead and recover from the days past. Here we are reminded that God is grace, freely present, freely loving and freely forgiving. Your generous response to this generous love makes all things possible at Trinity.

After eleven years of ministry at Trinity I am ever more convinced of the Spirit's guiding presence. The Spirit is shaping us to be a place where anyone and everyone can meet Christ.

I'm thrilled by our growing response to serve our neighbors through a myriad of community partnerships, including the Church of the Advocate, the Appalachian Regional Ministry, and an emerging re-establishment of a ministry to teenagers at Trinity Place.

Soon, you will receive an email from Trinity's Stewardship Team, including a link to an online pledge form for our 2024 ministry and mission. Your online pledge will go directly to Trinity's Finance Director, Jan Hildebrand, and will remove you from the house-to-house campaign that will start in October. The Stewardship Team is encouraging everyone to take part in this early pre-campaign. By doing so, you will express your desire to invest, once again, in the powerful and essential ministry of Trinity Episcopal Church.

I am humbled and grateful for the abundance of support from Trinitarians this past year. Because of you, Trinity is prepared to continue to grow our ministries throughout Asheville and beyond. Your financial commitment for 2024 enables Trinity to be a place where all can Explore Faith, Embrace Community, and Make a Difference!

God is an anchor for our souls. Your participation in this campaign is an anchor of Trinity's mission.

Thank you.
